#### Do you need to certify?

If any of the following conditions apply to your operation, then you are **NOT** required to submit the ERP Compliance Certification for boilers.

- ☐ Subject to the Operating Permit program under 310 CMR 7.00 Appendix C.
- ☐ All ERP boilers are removed or otherwise rendered inoperative.
- ☐ All ERP boilers are converted to wood fuel-fired boilers.
- ☐ The operation changes ownership. Date of change in ownership:

If you have checked off any of the conditions in this section, please submit this form to DEP. If you are mailing this form, mail by next March 15 to:

MA DEP-ERP-CB

P.O. Box 120-165

Boston, MA 02112-0165

Save a copy of this statement for your records.

**Note:** Exemption from ERP does not relive you of your responsibility to comply with other environmental requirements.
